ITEMS OF INTEREST

Mrs. Grace Morris, Center Village, N. Y., tells us she has just added two very fine five months old Setter dog pups to her kennels. These puppies are sons of Ch. Eugene's Ghost, America's Wonder Dog.

Mrs. O. B. Palmer, Silver Gate Kennels, San Diego, California, writes under date of November 19th that her silver male Prince of Silvergate, covered himself with glory again at the recent Red Persian Society Cat Show held in Los Angeles.

Mrs. Dorothy A. Sharky, May's Landing, N. J., has recently purchased from Mrs. O. T. Young, Hopedale, Ohio, Drumgold Snowbox of Blizzardpara, a daughter of Kilravock Corleone x Kilravock Ivory Rose.

Montreal Cat Club and Humane Society, whose show is scheduled for January 14, 15, 1925, are arranging to have the **United States cats enter duty free** for their show, the same arrangement with the government as they had last year, which proved so satisfactory. For all information all intending exhibitors should write Mrs. C. Ruby Sanctuary, 275 Mayfair Ave., Montreal, Canada. It is expected the Lieutenant Governor of Quebec will give his patronage and open the show, which promises to be quite the leading Canadian show for the season.

Mrs. R. C. French, Jackson, Michigan, is visiting Mr. French's mother in Kent, Washington, near Seattle. Mrs. Ottney and Mrs. Winn have been caring for Mrs. French's cats during her absence, for which she wishes to thank them for otherwise she could not have made the trip West. Mrs. French reports a number of sales through her Courier advertising.

Mrs. Annie P. Williams, who recently sold Roselle of Beaconlight to Mrs. Virginia Ream, Wichita, Kansas, writes the cat arrived in excellent condition after a

three day journey, and she is highly pleased with her.

Mrs. A. Armbruster, Jacksonville, Florida, writes the Courier she has been compelled to change the name of Orange Marmalade, whom she recently purchased from Mrs. Annie P. Williams, Glendora, California, in order to register her with the C. F. A., to avoid duplication, to Tropical Queen of Ponce D' Leon. Ponce D'Leon being Mrs. Armbruster's registered Cattery name.

At the Siamese Cat Club's First Championship Specialty Show held September 24th at Kensington, London, England,

there were two hundred and thirty-four entries, with ninety-six cats and kittens present, all Siamese. The Cat Courier Gold Challenge Medal offered for best adult cat was won by Miss C. Fisher's beautiful female Belinda of Cornwall. The show was a great success, and the quality excellent, the kittens being exceptionally good. The Siamese Cat Club is doing much for the breed, having just published a Register for all Siamese, and with annual specialty shows they are bound to work up a greater interest for the lovely

Royal Sacred Siamese cat.

Miss Eleanor Brundage of the Central Crest Kennels, Indianapolis, Indiana, reports the death September 10th of her "Only Me" with bronchial trouble. This cat is a real loss to the Central Crest Kennels, and we know our readers will sympathize with Miss Brundage.

Mrs. F. N. Craver, Del Norte Kat Kennels, El Paso, Texas, has purchased Lady Nicotine, smoke female, from Mrs. Strahmann, Clint, Texas, as a mate for her smoke male Don Benito.

Mrs. Laura McMahan of the Le Beaupre Cattery, Philadelphia, Pa., reports having

sold Eiderdown Lin Wan, black male, to Miss Catherine Newberry of Radcliffe College, Cambridge.

We are pleased to report Mrs. Karl H. Hoenig, Columbus, Ohio, fully recovered from her recent illness, and we may expect to see her at some of the shows this winter.

Miss E. G. Hydon, of the Lavender Cattery, Bogota, N. J., tells us she has just purchased Hiawartha of Hounslow, blue male, from Mrs. M. Armstrong, Middlesex, England, and is hoping he will get here in time for some showing at the shows this winter.

The Cat Courier editor had the pleasure of seeing some very fine pictures of "Catches" made by Mr. and Mrs. C. T. McCawley, of the Buffalo Persian Cattery, while on a fishing trip. Mr. McCawley is a Scientific Angler in Tournament Casting. Dr. Grace Elenndorf and the McCawleys entered the National Championship Tournament, and did some wonderful fishing on the Niagara River.

The Buffalo Persian Society Cat Show is forging ahead with prospects for a much better show in every way than heretofore. They promise this to be the best cat show ever held in Buffalo. Mrs. McCawley will officiate as show manager and Miss Neideritter will attend to the secretary work, with Mrs. F. E. Hewitt judging. The location for the show will be announced in next month's Courier. The show is scheduled for January 3, 4, 5, 1925.

We are sorry to announce the serious illness of Mrs. Charles L. Brown, who was to have managed the Keystone State Cat Club Show scheduled for January 9th and 10th, Mrs. Mary B. Warfel will now be the show manager, with Mrs. L. T. Warrington attending to the secretary work.

Mrs. Eva T. Harris of the Barbe Bleue Cattery, Los Angeles, California, writes us it is not because she does not want to support the shows that she does not make more entries this season. Mrs. Harris has been building and making changes in her home and the cats could not be put in show condition. Still, she plans to show one or two at as many shows as she can get to. Twelve of the Barbe Bleue cats have been "working" at the Fox Studios. Mrs. Harris does not tell us the name of the picture they will appear in, but says they came back home so friendly to the men who had them in charge that she is sure they had a wonderful time while in the Movies.

Mrs. W. R. Crawford, Vickery Cattery, Dallas, Texas, is just about to move into her new home, where she has also built extensive modern kennel quarters for her cats and dogs. The cat house is thirty feet long, divided into twelve pens with outside wired in runs. One hospital room is built in to take care of sick animals if needed, to isolate. The Cattery house proper is provided with electric lights, water and heat, this latter will not be required much in

Texas, though. The grounds upon which Mrs. Crawford has built her home has twenty large native trees, which provide ample shade, the one thing so much desired in Texas.

Mrs. Celia Hofer, Hoferton Cattery, Toledo, Ohio, has sold fourteen kittens and three grown cats since April 1st, and says sales have been most satisfactory, and she feels her 1924 business for her cattery has been all she could wish for.

Mrs. A. E. Thompson has removed to 672 Wellington street, Toronto, Ontario, and tells us she has met with some losses in her cats lately. Lady Topsey Ann, dam of her Ch. Lady Merdelva, died Oct. 29th. Lady Patria died Nov. 11th. Both cats died at the Veterinary Hospital, where they were boarding during Mrs. Thompson's moving, of acute indigestion.

Mrs. J. H. McGuire of the Carnefax Cattery, San Bernardino, California, tells us she has her new kennels all built and the cats all housed very cozy for the winter months, and says her blacks are coming out with lovely glossy coats in spite of their unusual dry season. Mrs. McGuire is placing her black male Christano at service in this month's Courier.

Mrs. Gertrude C. Dean, Buntyn, Tennessee, is buying several solid red cats, and with the female she has, who won best red female kit at the Memphis show, she plans to breed some fine reds.

Mrs. Winnifred D. Hanson of the Lonsdale Cattery, Vancouver, B. C., tells us she has sold three of the four "Day Dream" kittens. The remaining one promises to be even better than her illustrious mother, and this one Messrs. Hanson & Cox will keep.

The San Antonio Light newspaper recently had a very nice article illustrated on the front page with some of the ladies and their cats, who recently formed the Dixie Cat Club.

Mrs. W. T. Hilligoss, Walnut Manor Cattery, St. Louis, Mo., is all sold out of the smoke kittens she advertised in the Courier, and says she placed them all in good homes and with satisfied buyers.

We are pleased to announce the birth of Patricia, to Mr. and Mrs. J. L. Bateman, Port Huron, Michigan, October 6th, 1924. Mr. Bateman exhibited a pair of very lovely red tabbies at the last Detroit Cat Show, one of which walked off with Best Male and Best Novice in the show besides being Best Red tabby. This same cat was sold at the show.

Mrs. Stanley F. Matthews of the Capensis Kennels, Homestead, Florida, reports having sold eleven of her kittens recently and says this is early selling for their season. Mrs. Matthews recently purchased two blue-eyed whites from Mrs. Young of the Drumgold Cattery, Hopedale, Ohio, and has another ordered from the Rookwood Cattery.

Miss Gertrude Branigan, Davenport, Iowa, reports sales as follows: A black male kitten to Mr. Clifford Rust, Davenport, Ia., and a black female kitten to Miss Edna Peterson, Orion, Ill.

Mrs. Thomas J. Mason, Houston, Texas, reports having sold her winning blue female and male kittens, at the El Paso show, and several local sales, and says she has many inquiries from her Cat Courier advertisement which promise more sales.

Mrs. J. W. Sharkey, May's Landing, N. J., tells us she is now owner of the blue-eyed white female La Fronzie Belle, who won first last year at the Philadelphia show and special for best blue eyes. She was afterwards sold to Mrs. E. Averill, who has in turn sold her to Mrs. Sharkey. She was bred to Mrs. Averill's Prince White and on Oct. 8th presented Mrs. Sharkey with five lovely white kittens.

Mrs. L. S. Gergel, of the Azurine Cattery, Johnson City, N. Y., reports many recent sales. Azurine Perelyn, silver male, went to Mrs. Jessie Nichols, Mohawk, N. Y., Azurine Budd, blue male, went to Mrs. A. C. Hull, Owego, N. Y.; McAlvay Klondyke, blue male, to a local buyer; Betsy Lavender, blue female, to Mrs. Carrie Sharp, Rome, N. Y., and a chinchilla daughter of Ch. Roblyn of Minnesota ex Wintarge Perenette to Mrs. Robt. Sylvester, Jacksonville, Florida.

OHIO VALLEY PERSIAN CLUB OF CINCINNATI

Mrs. Grace Bohnenkamp, secretary for the Ohio Valley Persian Club of Cincinnati, writes in that Mrs. Frank Stevens, former very valued president of the club has been very dangerously ill and felt it necessary to resign office, and in her place the club has been fortunate in electing Dr. J. J. Hoffman, veterinary, as their new president. The doctor means business every minute and the club is very much alive and talking about another cat show but with nothing definite for publication as yet.

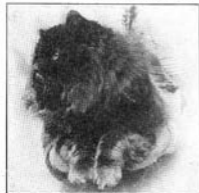

MONTREAL CAT CLUB AND HUMANE SOCIETY

At a special general meeting of the Montreal Cat Fanciers' Club, held at the office of Drs. Etienne & Etienne, 67 Drummond street, on Tuesday evening, October 24th, 1924, it was moved by Mrs. A. Trudeau and seconded by Mrs. C. D. McFarland, that as the Montreal Cat Fanciers' Club, having no further object of existence, we, the members of the Montreal Cat Fanciers' Club, feel that the club should dissolve, and divide its property equally, assets and liabilities between the Montreal Cat Club and Humane Society, and the Canadian Cat Association.

Signed:

Dr. A. A. Etienne, Pres.
Mrs. W. A. Ramsay, Sec.
Montreal Cat Fanciers' Club.
Mrs. Joan McFarland, Pres.
Mrs. C. R. Sanctuary, Sec.
Montreal Cat Club and Humane Society.
Mr. W. A. Ramsay, Pres.
Mrs. A. Trudeau, Sec.-Treas.
Canadian Cat Association.

To avoid confusion there is now only the two clubs—The Montreal Cat Club and Humane Society, which remains with the C. F. A., and the Canadian Cat Association, which has no connection with the C. F. A. or any other American Association. The Montreal Cat Club and Humane Society now own one hundred cages, which they will be pleased to rent to any shows at a nominal figure. The Montreal Cat Club and Humane Society will hold their annual cat show, January 14, 15, 1925, and are making arrangements for all United States entries to pass the customs duty free, but we suggest that all United States fanciers planning entries write to Mrs. C. Ruby Sanctuary, 275 Mayfair avenue, Notre Dame de Grace, Montreal, Canada, secretary for the club and get full data regarding entries.

FOREST CITY CAT FANCIERS CLUB Cleveland, Ohio

Cleveland cat owners wish to announce to the fancy that a new club has been formed, to be known as the Forest City Cat Fanciers Club, and we are a member club of the Cat Fanciers Association, Inc.

Perhaps a little explanation is necessary. This new club is made up of the charter members of the Cleveland Persian Society. Also a number of the newer members and many new fanciers. For the past year or more there has been a great deal of misunderstanding among the fanciers and things were becoming very disagreeable as there seemed to be no way of checking this, it was put to all the members to divide the club, to divide 50-50 on all the money and property of the Cleveland Persian Society. This was done at the August meeting of the society, 16 of the 24 members present voting to do this.

August 21st the Forest City Cat Club was formed at the home of Mrs. W. G. Harding, and temporary officers elected. At the regular monthly meeting held with Miss Celty, September 11th, the following officers were elected; president, Miss E. V. Celty; first vice president, Mrs. W. G. Harding; second vice president, Mrs. D. T. Horton; treasurer, Mrs. Minerva Johnson; secretary, Miss Anna M. Ray. Meetings to be held the last Thursday of each month.

October and November meetings were held with a good attendance. Of course we want to have a show, so at the last minute we come along. Show dates are for January 13-14-15, 1925, with Mr. Arch E. Horne as judge; Miss Corinna Harding will manage the show. She is a very capable young lady, being the president and manager of the Corinna Harding Amusement Enterprise, and manager of the Juvenile Theatricals, and I shall try my best as show secretary.

We are trying a new location this year, Euclid avenue and E. 105th street. This is one of the busiest and best sections in the city, very close to the residence part. We were able to secure the hall room of the Woodward Masonic Hall. It is very large and all outside windows, with spacious lounging rooms at the sides.

If any of the exhibitors tire of the cat show they will find a number of good play houses just around the corner, or perhaps join in a dance, or bring along your ice skates, as the world's largest and best indoor ice skating rink is right around the corner.

Plenty of hotels, from the moderate priced to the most exclusive ones, overlooking beautiful Wade Park, and all within five to ten minutes walk from the show room.

As the show has been planned so suddenly the premium list may look somewhat skimpy to you, but I assure you, dear readers, that the Forest City Cat Fanciers will have a worth while show, and it will pay you to plan to be with us.

November 25th, Miss Celty will entertain the ladies at afternoon tea; December 3rd, Mrs. Grant Knight will have a bazaar at her home; Mrs. A. G. Johnson and Mrs. A. U. Herbert are planning a dinner and Mrs. Harding will entertain. All the proceeds to go into the show fund.

Look for our show advertisement in this issue, and then plan to be with us.

Anna M. Ray, Secretary.

C. F. A. MEMBER CLUBS, TAKE NOTICE

Mrs. J. A. Bradshaw, secretary for the Cat Fanciers Association, Inc., will return to her home, 148 Lovering avenue, Buffalo, N. Y., shortly after January 1st, and all correspondence pertaining to the Association should be sent there from that date. Mrs. Bradshaw has recovered from a very serious illness.

BUFFALO PERSIAN SOCIETY

The Buffalo Persian Society held their regular monthly meeting at the home of Mrs. C. T. McCawley, 71 Linwood avenue, Buffalo, N. Y., the evening of November 11th. Meeting called to order at 9 o'clock with the president in the chair, Mrs. McCawley. Usual routine disposed with, the election of show officials in order with the following results: show manager, Mrs. C. T. McCawley; show secretary, Miss C. Neiderritter. Judge selected being the well known cat fancier, Mrs. F. E. Hewitt, N. Tonawanda, N. Y. Who was voted as such with unanimous sanction of all. The attendance was the largest that we have had this year, showing the enthusiasm that is always displayed when a good show is in the making. Sanction has been requested of the Cat Fanciers Association to hold our show February 3, 4, 5, 1925, with usual arrangements regarding sanction of judge, etc. It is the intention of the society to surpass our show of 1924 with a bigger and better one. The show of last year being a four point

one and a success in every way. We hope all our friends who so kindly assisted with our last show will again be with us this year. A card party was held during the month at the home of Mr. and Mrs. H. Becker, 61 Homer avenue, Buffalo, N. Y. Attendance of forty was noted and a goodly sum turned over to the society treasurer towards our show fund. It was decided upon to send all requests for information to Mrs. C. T. McCawley, show manager, 71 Linwood avenue, Buffalo, N. Y., regarding the show. All other mail to Miss C. Neiderritter, 771 Main street, Buffalo, N. Y. Membership in the society is much larger than last year and increasing all the time. We feel confident of a very successful show. Do not fail to attend one of the finest shows ever held in the city of Buffalo.

Miss C. P. Neiderritter, Secretary,
by C. Thos. McCawley, Assisting.

CHICAGO PERSIAN SOCIETY

We have word from the Chicago Persian Society that the kitten naming contest, which closed November 1st, was won by Mrs. William Neahring, Norfolk, Nebraska. Magic Knight being the name chosen by the judges. The names were all submitted to three judges, i. e.—Mrs. I. J. Ketchen, Mrs. Olive E. Gilbert and Mrs. Gertrude E. Taylor, who all selected a different name, these in turn were submitted to Mrs. H. G. Dykhouse, Grand Rapids, Michigan, who made the final selection. The kitten has gone to his new home. He was given to the club by Mrs. Lillian Wood, 1012 Wells street, Chicago, Illinois, who is one of the enthusiastic members of the Chicago Persian Society.

TRI-CITY CAT CLUB

Miss Gertrude Branigan, Davenport, Iowa, tells us she is meeting with much encouragement for the Tri-City Cat Club show, which she is to manage January 7, 8, 9, 1925. The special prizes are coming in nicely with the view of encouraging out-of-town entries as well as the local entry and the premium list will be very attractive. Davenport is very accessible and the show should draw well as many cat fanciers are located in that vicinity.

LOS ANGELES CAT CLUB

The November meeting of the Los Angeles Cat Club was held at the home of President Mrs. Hartman, with a very gratifying attendance, despite the nearness of the Red Persian Society Show, many of our people being members of both clubs. New members were out and plans were discussed and enthusiasm ran high. A new method of handling the advertising and catalogue was decided on as a venture. Both clubs own their cages and courtesies are exchanged making quite a saving to each club. Putting on a show here is quite some job as compared with many places where cages are rented and the club ladies walk into the pretty room all ready for the cats to hop into the cages. We have always to find an empty store room, hotel keepers hold up their hands in horror at the mention of cat show, dog show or any sort of show. Even the flower shows have to work against the discouraging hunt for a suitable room. But the shows are held nevertheless, year after year. Some day somebody is going to "see the light" and our show room hunts will be no more. Howsoever, we've had rather tramp up and down the Broadway and Spring street and Seventh street and all between, in the sunshine and shade of this glorious climate than buck the blizzards, wade the slush or scrunch the snow into the finest hotel show room. So say the cats also. Mrs. Clark of Pacific Cat Journal is to judge. We look forward each year to the pleasure of meeting the many cat lovers of the east who are sojourning among us.

Mrs. Eva T. Harris, Secretary.

VANCOUVER PERSIAN SOCIETY

From Mrs. George Strevens, Vancouver, B. C., we have a little mention of the recent Tacoma Cat Club cat show held in conjunction with the fair at Puyallup, Washington, October 3-4-5. Four members of the Vancouver Persian Society attended the show. Strangers in a strange country, which was entirely forgotten with the many kind courtesies extended. It is not considered quite the proper thing to brag or boast about your own, or as a matter of fact anything you may be connected with, but after the cordiality extended to the Vancouverites, who were most successful exhibitors, we can say something, and wish to express our appreciation of the show which was so capably managed by the members of the Tacoma Cat Club.

Mrs. Strevens also tells us the Vancouver Persian Society is planning for a fall show, and have had four beautiful trophy cups donated this past week, one an exquisite affair given by Mr. Lockyer of the Hudson Bay Company. The society now boasts of thirteen cups with more promised. The show will be staged for some charity to be decided at the next meeting.

DIXIE CAT CLUB San Antonio, Texas

At a meeting of the Dixie Cat Club, held at the Chamber of Commerce, Thursday, October 16, 1924, the constitution and by-laws were read and approved, and the charter closed with a membership of thirty one. Officers were elected as follows: President, Mrs. U. E. Marney; first vice president, Miss Helen Jones; second vice president, Mrs. L. I. Wells; third vice president, Mrs. M. V. Cogger; secretary, Mrs. R. C. McCutcher; treasurer, Miss Ida Weichold; corresponding secretary, Mrs. U. E. Marney.

Their first cat show is to be held during the show season of 1925-26, under the rules of the A. C. A., since they have affiliated with that association.

Invitations have been issued to out-of-town fanciers and all applications should be mailed to The Dixie Cat Club, P. O. Box 386, San Antonio, Texas.

A banquet will be held at our next meeting, Friday, December 5th, at which Attorney M. C. Gonzales will address the club and Dr. Marney will talk on the various breeds, and the care and handling of cats.

A prize is being offered to the member suggesting the best program for initiating new members.

Mrs. U. E. Marney,
President and Cor.-Sec.

TOLEDO CAT CLUB

Autumn colors were used in the decorations for the bridge luncheon given under the auspices of the Toledo Cat club in the Elk's club Monday afternoon, November 3. Proceeds of the affair will be placed in the fund for milk for undernourished children, maintained by the welfare committee of the cat club. Mrs. C. K. Wilson directed arrangements for the party. Her assistants included: The Mesdames W. B. Bishop, L. F. Sloat, W. M. Gallagher, J. H. McLaughlin, J. W. Owen, O. Bishop, E. C. Sloat, George Grant Morrison and A. Selz.

Following the luncheon Judge James Martin and Judge O'Brien O'Donnell spoke briefly urging the women to vote. Mrs. Ralph S. Doud of the North Toledo Community house outlined the philanthropic work accomplished by the welfare committee of the club. Little Virginia Byrne, Virginia Eisinger, Lylian Mewton and Virginia Creighton entertained the players with song and solo dances.

The Toledo Cat Club is busy working for their usual annual cat show, which this season will probably be held February 7, 8, although these dates as yet are not definitely decided upon.

THE IDEAL CAT CLUB

The first meeting of the Ideal Cat Club was held October 28th, 1924, at 1917 North 14th street, Philadelphia, Pa. Officers were elected as follows: Mrs. R. Grosset, president; Mrs. E. DeGhett, vice president; Mrs. R. Nevitt, treasurer, and Mrs. H. C. Pickel,

secretary. There were thirteen members present, which the club plans to use for its lucky number, and twenty-five members enrolled on the list. Mrs. Nevitt contributed the "Dark Horse," which was won by Mrs. Deghett, and netted a neat sum. Everyone was pleased with the progress made. It was decided to hold meetings the second Tuesday of each month. Meeting adjourned at 4:30. The second meeting of the Ideal Cat Club was held Tuesday, November 11th at the home of Mrs. Nugent and was even more of a success than the first. Everyone seemed very enthusiastic and willing to help make our "baby" club a success. We now have thirty-two members, with many more planning to come in. Mrs. E. Deghett has offered a cash prize of \$10 for the member bringing in the largest number of members in a year. Mrs. Davis brought a "Dark Horse" which was won by Mrs. Nevitt. We spent a very pleasant afternoon with Mrs. Nugent who made a splendid host.

Mrs. H. C. Pickel, Secretary.

CAT ADOPTS FIVE SQUIRRELS

An old mother cat living near La Porte, Indiana, after having given birth to as fine a lot of babies as could well be found, was given to understand that there were enough cats on the farm and that her especial offspring were not needed. The result was that she was soon going about mourning the loss of her entire family. Everybody felt sorry for her.

But it's a long lane that has no turning, and one day in walked her master with five baby squirrels whose mother had been killed by some hunter and the nest found with these five little squirrels. The mother cat accepted them at once and as the little orphans were hungry, they, too, accepted the situation without questioning and proceeded at once to secure the most advantageous location for obtaining an unlimited supply of their accustomed nourishment.

The farmer took them to town and placed them in a store window, where for two weeks the sidewalk was simply crowded with people watching the antics of the baby squirrels. Some limbs were placed in the window for their especial use. The way they would scamper all over that window certainly must have filled the old cat with wonder as to what sort of kittens they were. When I saw them last they were sound asleep on their mother's breast, having just had a full meal and retired for the night. It was truly an interesting sight.—Henry A. Pershing, Secy., Humane Society, South Bend, Ind., in Our Dumb Animals.

THE EDITOR TAKES A TRIP

(Continued from last month)

When we arrived in Seattle, we got in touch with Mrs. Hiller and Mrs. Oken. Mr. and Mrs. Hiller took us for a drive around Seattle, which finally landed us at Mrs. Oken's home where we saw her nice silver cats. The next day the Tacoma Cat Club entertained us at a most enjoyable luncheon, after which Miss Jessie C. Barlow of Steilacoom, which is a suburb of Tacoma, drove us to call upon and see nearly all the cat fanciers in and around Tacoma. Such a lot of cats as we saw, and many splendid ones, we would like to write of each individual cat but cannot take up the space, but we know now why the Washington cat shows draw such a good entry. While in Tacoma I looked up my uncle, my mother's brother, whom I had

not seen since I was a tiny tot. Last year I looked up my other uncle in England, a brother of the Tacoma uncle, whom I had never seen before. It was nice to carry a message across the world from one to the other. We got back into Seattle, with Mrs. Oken, late that evening, after having spent one of the most enjoyable days of our whole trip. It was pleasant to meet the cat fanciers we have corresponded with for years and to see their cats. The next day we took the boat for Vancouver going up through Puget Sound and the Straights to Victoria and on to Vancouver. This is an all-day trip and takes one through the most wonderful scenery. Victoria is very lovely, coming down to the water as it does with all its fine parliament buildings. At Vancouver, Mr. Chambers met us and drove us to our hotel, where we got cleaned up, ready to meet with the British Columbia Cat Club, at Mrs. Chambers' home that evening. Such a lot of nice folks we met and visited with, away into the night, and we must not forget to mention Mrs. Chambers' cats, especially a little red female of really wonderful type. The next day we drove out to see Mrs. Strevens and her cats in the morning, called upon Miss Grimm at her veterinary hospital. (Miss Grimm is doing a wonderful work for the cats.) And in the afternoon Mr. and Mrs. Chambers came for us to go out to Capilano Canyon, one of the gorgeous beauty spots near Vancouver. On our way to the canyon we drove by Mrs. Hanson's to see Day Dream, and her other silver cats. Had a nice visit there and that evening we all had dinner at the country club, just getting back in time to catch our train for back home. Just as our train was about to pull out, Mrs. Strevens with a number of members of the Vancouver Persian Society arrived with flowers and boxes of candy to wish us a safe journey home. We came

HAMILTON PERSIAN SOCIETY

On Tuesday, November 18, 1924, the Hamilton Persian Society was organized to carry on the interests for the cats in Hamilton, Ontario. At this meeting fourteen members were enrolled. It was decided to hold a cat show January 28, 29, 1925, with Mrs. I. J. Ketchen as judge. The show will be held in the beautiful ball room of the Royal Cannought Hotel, and everything is being done to make this one of the banner winter shows. The show will be held under the patronage of the Hamilton Football team and officers, their president, Mr. S. S. DuMolin, being honorary president of the new Hamilton Persian Society. All decorations, trimmings, etc., for the cat show are to be in yellow and black, the same colors as the football team use. The club elected Mrs. J. W. Thrush as president; Mrs. Geo. Leslie, vice president; Mrs. F. W. Darch, second vice president; and Mrs. William T. McLaren, secretary-treasurer, 134 Stanley avenue, Hamilton, Ontario, with Mrs. D. Dick, as assistant secretary. At the conclusion of the business meeting, the hostess,

Mrs. J. W. Thrush, served a dainty lunch and entertained by showing the members several of her beautiful blue Persian cats.

JACKSONVILLE CAT SHOW

The Jacksonville Persian Cat Society show held November 21, 22, 1924, proved to be one of the leading features of the Florida State Fair, and attracted many visitors. The show room was splendidly arranged, the cages roomy and every consideration for both the exhibit and exhibitors comfort taken care of. Mayor John T. Alsop and Mrs. Alsop opened the show at 9:30 o'clock the first morning with appropriate greetings, the club presenting Mrs. Alsop with a lovely bouquet of flowers. One hundred sixty-two cats were benched and judged in 229 classes, 137 of these cats were straight championship class Persians, or in other words enough for a three-point show without any A. O. C. or short hair cats. Seventy-three kittens were benched, 45 of these being Florida-bred. Compared with last year there were 40 more straight color Persians, and 45 more kittens. The Second Annual Kitten Sweepstakes proved an entry of twenty-nine fine kits. That the society was justified in its experiment of last year, there being an increase of 12 kittens, and next year we are confident that the sweep will be for 50 kittens.

The idea of the sweepstakes is to encourage the breeder and the owner of fine kittens with a worthwhile prize, and the conditions are as follows: All entrants must be entered in their own regular class. A special entry form must be made out for the sweep, and the fee is \$1.00. The total of the entry money is pooled and a like amount is added by the club, the total of the pool being divided as follows: winner, 60 per cent; second, 25 per cent; third, 15 per cent. Breeder of the winner, irrespective of ownership at time of show, is awarded a \$25.00 silver cup donated by the show manager.

This year the winner in the sweepstakes received \$34.80, the second kitten, \$14.50, third kitten, \$8.70, fourth kitten a rosette ribbon, and the breeder of the winner a very fine silver cup valued at \$25.00.

The Florida State Fair have again asked the Jacksonville Persian Cat Society to hold their show with them next year, but want it a three-day show, and it is proposed to hold the kitten show the first day, the cats the two following days, with possibly an auction sale of all advertised sale stock.

PLAIN CAT SHOW

Mrs. Charles L. Brown, Philadelphia, Pa., writes the Courier of the very successful plain cat show held November 8th which she managed, under the auspices of the Women's Auxiliary to the Pennsylvania Society for the Prevention of Cruelty to Animals, in Philadelphia. There were one

hundreds and twenty-two cat entries as against twenty-six for last year's show. Every cage was decorated, the cats had a separate auditorium, and the room was a picture. I will let Mrs. Brown tell you about the show:

"There is a small stage in the center front, and this was beautifully decorated with eight palms, huge ones, loaned me by Mr. Charles Grakelov, florist; Mrs. Charles Henry Fox sent me cut flowers, and Mr. Bernstein, of North Wales, of the Sunniglow Gardens sent me decorative plants. All through the palms and plants I had decorative cats climbing, playing etc. Decorative lights, featuring cats, toys for every kiddie; and every exhibitor received a prize, winner or loser, they all won something. Browning, King & Company, of this city, gave me a new suit of clothes, to be presented to the newsboy exhibiting the best cat; Strawbridge & Clothier gave me a silver cup, over a foot high. One man worked two weeks on his cage. In fact, two cages; one representing the alley, with ash can, etc., where the cat was found by him, and the other, hung in silken draperies, cushions, playthings, etc.; the cage was all outlined in miniature electric bulbs, blue forget-me-nots and golden chrysanthemums, and over the top flew an American flag, and the cat's name, "Buddie" was made of gold letters. It was the most artistic, gorgeous cage I have ever seen at any show! The prizes for decorated cages made a wonderful hit, and those who came unprepared flew to the shops to purchase decorations. Mr. Leo Stark, of London, England, well known in stage and literary craft, judged the cages for me. Mrs. J. Harry Mulliner, president of the Three Arts Club, entered the mascot of that club, a beautiful white, "Romeo," by name. Several good member of the Keystone State Cat Club brought their short haired beauties. There were few cats, if any, that would not have graced the Bellevue. Being "Forget-me-not Day," I invited the Disabled Veteran's Bureau to send some one to sell flowers right in the show room. The commander's wife, Mrs. Leinmiller, with a disabled buddie, came and disposed of the flowers. I received a beautiful certificate from Washington in recognition of my efforts. Every one was most generous to these deserving comrades. The Girl Scouts, under the personal direction of Mrs. John Brown, Jr., assisted in a most orderly and intelligent manner. "Animal Pals," by Curtis Wager-Smith, made ready sales, and "Yama" cards brought them a good revenue. We were filmed by four motion picture companies; radioed every night for two weeks, and "Uncle WIP," of the Gimbel Studio, sent me several kiddies from his Kiddie Club, with their cats. The S. P. C. A. told me they had never had a show like it. I worked day and night on it, since August."

THE EDITOR TAKES A TRIP

(Concluded from Page 149.)

back through the Canadian Rockies, whose grandeur of scenery simply cannot be told in mere words, the mountains were wondrous, and railroading in that part of the world different than anywhere else. We planned to stop at Calgary and Edmonton in Alberta, Canada, but unforeseen circumstances made it necessary for us to travel straight home without any more stops, and this was our one disappointment of the whole trip. Miss Celty stayed over a day with me in Detroit on the promise I would drive her to Cleveland the next, which I did, thinking it would make a good finish to a very enjoyable holiday, and also, so she could get her little Siamese kitten, which she had pur-

chased from me, to its new home the easiest way. Next day I drove back to Detroit and took up the reins of the Courier where I had left off before I started for the El Paso, Texas, cat show.
